Cow Pie Bingo Rules:

- The land parcel square that gets the first “cow pie” will determine the winner. If no “cow pie” is dropped by 2pm then the right forward hoof will be used to determine the winner.
- If “cow pie” lands on the intersection of 2 squares the prize is split evenly between the 2 owners. If “cow pie” lands on the intersection of 4 squares it is split evenly between the 4 owners.
- The cow will be led on to the field by 12pm on the day of event and remain on field until 2pm, or until the cow drops its first “cow pie”, whichever occurs first.
- The event is held rain or shine unless thunder and lightning, in which case the winner will be randomly selected.
- Winner does not need to be present to win and must be 18 years or older to claim prize. Winner has 30 days to claim prize. Taxes are the responsibility of the winner.
- If there are any unsold squares by 11:45am on May 9, they will be assigned to Center School. If the “cow pie” lands on one of the squares assigned to Center School, Center School receives the prize.

All proceeds benefit Center School programs that support children who learn differently
